

Reach Out Lakota

Putting help and hope into the hands of our community.

2021

Dear Donor:

The work we do here is about feeding and clothing those in need. It's that simple.

Sometimes people get caught up in the numbers. How many clients came in for food this month? How many needed clothing? While we can get caught up in the numbers what is important is the people. These are individuals and families that have found themselves for some reason in a bind.

They need assistance and turn to us for that help. We are glad to be here and provide them with their basic needs. We are able to help them because you support Reach Out Lakota.

Thank you for your donation of clothing/household items in our clothing shed. You are making a difference in the lives of those who come through our doors. We are thankful for your support.

Sincerely,

Scott D Stephens, LISW-S
